

Method of Preparation

Mini - Fried Frozen Dessert

01 Preheat the oil to 180°C.

02 Take the pack from the freezer (-18°C to -22°C). Use only what you need and return the rest immediately.

03 Dip the entire frozen dessert into the hot oil. Fry for 1 minute or until golden.

04 Remove and wrap the entire dessert in a tissue to absorb excess oil.

05 Slice and serve with your favourite toppings.
